

PCL SPONSOR CAT CLUB SPONSORSHIP FORM

Registered Charity no: 1209280

Beetle

Most of our cats get adopted but we do have lots of cats who just stay because they're extremely old or have health problems and that involves costly ongoing vet care and regular medication. That's why we designed our **Sponsor Cat Club** programme so that all our supporters can be part of caring for these very special cat's long term. We currently have over 40 sponsor cats being cared for in several sponsor homes where all their needs are met, and they are safe and loved. As a Sponsor you would be a vital part of our programme helping to protect and look after cats in need.

And sponsoring a cat couldn't be easier. For £5 per month (or £55 annually) you could be part of our **Sponsor Cat Club** programme which is unique in supporting these cats, providing food, medication, and ongoing vet care. Beetle is one of these cats and her story is at the bottom. If you can help us to help cats like Beetle, please complete and return the form below. If you have any difficulty completing this form, or would prefer to donate by cheque, please call or message me.

I would love to hear from you! Thank you.

BEETLE'S STORY

Beetle was born at PCL with a cleft lip, two holes in her skull and Cerebella Hyperplasia (wobbly cat syndrome). She is also very small for her age. Beetle lives with her sponsor mum Tracy and other sponsor cats Brook, Bay and Wolfy, all of which have very special conditions and needs 🐾 With the assistance of our **Sponsor Cat Club**, she will be able to get the correct treatment to keep her as happy and healthy as possible with the love, care, and support she needs with her Sponsor mum.

Your donations make a difference to cats like Beetle – Thank You.
